EXPERIENCE

SHOPTRADE TECHNOLOGIES PVT. LTD. — UI/UX Designer *Nov 2025 - Present*

- Contributed to the end-to-end UI/UX design of 2 eCommerce client projects, collaborating with senior designers from concept exploration to final UI delivery.
- Designed and modified Shopify themes by changing layouts, UI components, and visual styles based on client needs.
- Managed multiple design tasks for ongoing clients while ensuring timely updates and consistent visual quality.
- Contributed to the design and development of a Shopify theme, leveraging AI-assisted research and design workflows to accelerate execution.

LOGIXHEALTH SOLUTIONS PRIVATE LIMITED — Database Admin *Apr 2023 - Dec 2024*

- Optimized 100+ SQL queries through query tuning and indexing, improving performance and efficiency.
- Monitored databases, resolved production issues, and supported deployments to maintain reliable operations.

PROJECTS

SUBLIME — SHOPIFY THEME

- Contributed to the end-to-end creation of a Shopify theme for health and wellness brands, from UX research and component planning to high-fidelity UI design.
- Designed reusable sections, pages, and theme components while defining customizable Shopify settings to support flexible merchant experiences.
- Collaborated with designers and developers through iterative reviews, ensuring visual consistency and scalable design patterns across the theme.
- Leveraged AI-assisted workflows to accelerate research, component creation, and design iterations while maintaining design quality and consistency.

THE AC OUTLET — HVAC E-COMMERCE PLATFORM

- Redesigned a wholesale e-commerce experience in Figma, streamlining complex product navigation and integrating custom EMI financing (Affirm & Acima).
- Developed responsive, high-fidelity UI screens for mobile and desktop using Shopify-based theme constraints to ensure developer handoff accuracy.
